Answer

MINISTER OF RURAL DEVELOPMENT(SHRI SHANTA KUMAR)

(a) to (h) In the years 2000-01 and 2001-02, project proposals to the tune of Rs.7553.28 crore have been cleared under the Pradhan Mantri Gram Sadak Yojana (PMGSY) and the works are in various stages of execution; 7221 of the 12867 road works taken up in the year 2000-01 have since been completed and others are expected to be completed by December 2002. The road works cleared in the year 2001-02 are also expected, by and large, to be completed during the current year. The progress of works is being regularly reviewed with the State Governments/Union Territory Administrations in the interest of timely completion of the same. The State-wise details of the value of proposals cleared and the cumulative expenditure incurred is annexed. Reports received so far indicate that the roads constructed under the Programme are of good quality. Certain deficiencies noticed in respect of some road works have been communicated to the concerned State Authorities for necessary action.
